

DALLAS ATHLETIC CLUB

Dallas, Texas

When the Dallas Athletic Club remodeled their facilities, they turned to FSG as their complete electrical construction provider.

Owner

Dallas Athletic Club

Contract Type

Electrical Construction

Contract Amount

\$635,000

General Contractor

Big Sky

Electrical Contractor

FSG

CHALLENGE

When the Dallas Athletic Club remodeled their facilities, they turned to FSG as their complete electrical construction provider.

SOLUTION

This project included a remodel of the entire athletic facility, as well as an electrical distribution upgrade. The system provided high voltage distribution to the entire complex, installation of transformer and switchgear pads, new services to all buildings in the complex, new parking lot lighting, tennis court lighting, and decorative entry lighting for the clubhouse.
